Life Insurance 1 - Requirements for the Course Credit

During the semester, 5 homework assignments will be given. It will be possible to get 10 points for each homework.

Course credit will be given when obtaining at least 80% of the total points, i.e., 40 points.

In case of reaching 60-80% of the total points after submitting solutions to all homework assignments, you will be eligible for just one additional homework assignment.
